

# Elected Officials Workshop

## **Course Description**

This workshop is to familiarize participants with the National Incident Management System (NIMS); the Incident Command System (ICS); and New York State Executive Law Article 2-B. This workshop is intended as an overview only, not to be a replacement or substitute for other training programs.

This is a 3 hour course.

## **Who Should Attend?**

Participants may include County Executive Staff, Commissioner, Deputy Commissioners, County Attorneys, Town Supervisors, Mayors, County/City Managers, County Legislators, Town/Village Councilpersons, Chair of the Board of Supervisors, Public Works Supervisors, Deputy Supervisors, Town/Village Department Heads, Town/Village/City Attorneys, Staff Inspectors, Fire Chiefs, Fire Commissioner, Police Chiefs, Police Commissioners, and any other elected or executive level persons whose responsibilities may require them to need an overview and understanding of the National Incident Management System and their role during an emergency or disaster.
